

Datasheet of 6Amp Cordset - 3m Cabtyre 0.5mm 3 Core

Product Name 6Amp Cordset - 3m Cabtyre 0.5mm 3 Core
 Product SKU ME-6A3053MWH

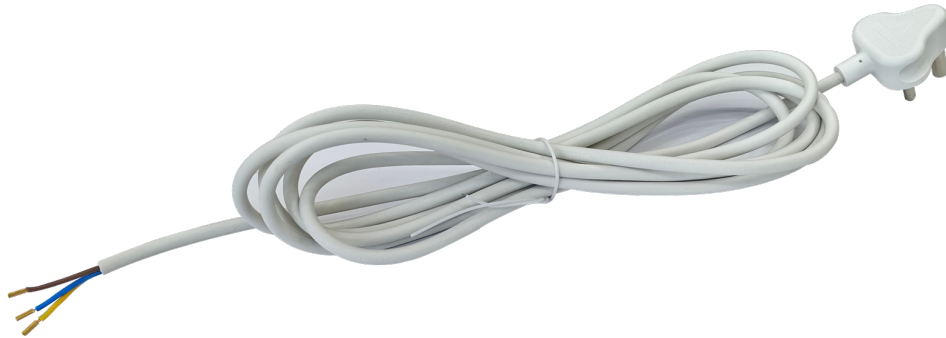

- Product Characteristics
- Mesmerize managed to secure a patent design
 - Improved grip on the 6amp plug top for easy installation
 - Carefully selected materials of oxygen-free copper for better conductivity
 - 12 step testing passed
 - IEC60884-1 / SANS 164-0 / SANS 164-3 tested and approved
 - Cable tested with TUV certificate on behalf of EN50525-2-11 which complies with RoHS / REACH / PAHS / CA65
 - Crimped ends for easy connection

Application Residential, Commercial and Industrial

Product Specification

Current	6Amp
Voltage	AC250V
Colour	White
Cable Length	3 Meter
Material	H03VV-F
Packging / Carton	100 Pieces in a carton
Carton Dimension	510 * 310 * 200mm
Carton Nett Weight	17.50KG
Carton Gross Weight	18.50KG
