

## Datasheet of DC24V Harmony Series 12V Striplight

Product Name	16W/DC24V Harmony Striplight
Product SKU	ML-Z-24V-16W-IP20-RGBW+WW
Product Characteristics	<ul style="list-style-type: none"> <li>• Up to 1400 lumen</li> <li>• The Harmony Series is the perfect balance between high brightness and low energy consumption</li> <li>• IP20 is perfect for indoor applications and IP67 and perfect for outdoor applications</li> <li>• Versatile colours - RGB Tunable/White/Warm White and 2500 different colour options</li> <li>• Illuminate your space today with Harmony</li> </ul>
Application	Indoor and Outdoor Applications

### Product Specification

Power	16W
LEDs	SMD2835
Effective Lumen	1400 lm
Colour	RGB Tunable/White/Warm White
Operating Temperature	-25°C + 60°C
Dimmable	Available and dimmed on the controller
Lifespan	25,000 hours
Warranty	1 Year
Ingress Protection Rating	IP20   IP67
Main Materials	Special Copper Guides   Adhesive
Certifications	CE / ROHS
Cutout Size	100mm
